Great ways to relish a one-of-a-kind experience

From Memorial Day weekend through September, Wild Hearts offers a daily sailing schedule with one and two hour cruises, as well as a special sunset sail. Our catamaran is ideal for weekend family outings or entertaining out-of-town guests. Or have dinner at a nearby restaurant then take a romantic “tropical” cruise as the sun sets over the lake.

Enjoy the ride

Wild Hearts is open and spacious, with plenty of room to stretch out and soak in the sun. If you are the type who likes to amble about the deck to enjoy the sea and spray, be our guest. Or you can easily duck into the protected cabin for shelter from the elements – simply sit back and enjoy the ride. Wild Hearts accommodates up to 49 passengers. Two restrooms are on board for your convenience.

An accommodating crew

At all times, the Wild Hearts crew is aware of your safety, comfort and enjoyment. You're in good hands with our Coast Guard-licensed master skipper and crew, who are ready to serve. Of course, refreshments, including wine and beer, are available for purchase at the onboard bar.

Charter Wild Hearts for your special event — Redefining the “sails” meeting
